Subject: Opposition to DP Murphy Inc Application

To: Island Regulatory and Appeals Commission

Attn: Allison MacEwen

Mr. MacEwen

I would like to formally oppose the application submitted by DP Murphy Inc to construct a Petroleum Station in Borden-Carleton.

Both Howatt's Tourist Mart and Ceretti's Grocery have been long standing supporters to this community and another gas station would more than likely be detrimental to their businesses. We need to stand up for our small businesses. We are a small community and do not need another gas station, so I am not sure how this can be justified?

I support development in the area but this is not needed and it seems that the proper channels have not been followed.

I hope that you take in to consideration that the many residents of the area DO NOT support another gas station.

Thank-you for your time

Sincerely,

Sandra & Andrew Noonan
