**Subject:** IRAC proposal. For another gas outlet in Bordenin Borden

We have been summer residents of Cape Traverse, in Borden/Carleton for over 25 years and have watched the community grow. We have supported and depended on both the Howatt and Ceretti businesses for gas, groceries, hardware and more. We know and witnessed the dedication of these two families in serving the people of this area.

There now 3 services outlets for gas (and other services) How can one visualize, rationalize or even consider a 4th gas outlet? It obviously follows that 1 or 2 of them will be out of business in a short time.

Another gas outlet in this area is unreasonable..
