Subject: Objection to proposed Gas station Borden-Carleton

Good afternoon,

I am sending this email to state my objection to the proposed D.P. Murphy gas station in Borden-Carleton. I feel the addition of this gas station would be damaging to not only the current gas stations in the area but also the community as a whole. As a former resident and frequent visitor of Borden-Carleton, the importance of the existing gas stations, specifically Ceretti's Grocery and Howatts Shell, can not be overstated. The owners have played a significant role in supporting the community over the years, in personal ways that D.P. Murphy could never replicate. Please do not reward the greed of D.P. Murphy, allow the current gas stations to continue to operate unburdened by the addition of an unnecessary fourth station.

Thank you,  
Tyler Allen
