Subject: New Retail Gasoline Outlet Application - D.P. Murphy - June 27, 2023

Mr MacEwen

Please accept this as my letter of objection to the new gas outlet applied for in Borden-Carleton. Our town currently has three gas stations which more than meet our needs and those of visitors coming to and from our Island. I will continue to support the family-owned businesses in our town that have been here for generations and would hope that you carefully consider my objection along with all others that you have received before making a decision on this application.
