Subject: New Borden Gas Station

To Whom it May Concern,

I would like to voice my concern with the new gas station being built in Borden-Carleton on the corner of Dickie Road and Highway 1. I believe we have enough gas stations in the area! I hope there will be a public meeting so people have a chance to show their concern! Does the town not have to post permits issued to date anymore? No permits have been posted since 2018! Unacceptable!
