Subject: Opposition of Gas Station in Borden-Carleton

To whom it may concern,

I, Ashley Walsh am writing this letter to oppose the development of another gas station in Borden Carleton. I am a resident of Borden-Carleton and believe another gas station to the area would be damaging to the community.

There is currently three gas stations already in this area - two of which are family owned gas stations, Howatts and Cerettis. They not only provide the necessities and essentials for locals and tourists, but also give back to the community. There is absolutely no need for another gas station in this area.

Thanks for your time,
Ashley Walsh
