Mr. MacEwen,

Dear Sir

I am a resident of Borden-Carleton and writing to you to express my concerns about the new DPMurphy venture.. I have dealt with Cerettis for many years with Henry, James and now Chad, Henry's grandson.. The Ceretti has been a great asset to this community over the the many years as well as the Howatts.. I deal with Irving Gas because of Ceretts and for no other reason... I believe that the DPMurphy venure here in our small community will undoubtably have an adverse effect on their business and no doubt will lead to both their demise.. We need small business like theirs in our community.. They are always there when needed... I am a resounding NO to this DPMurphy venture.. Thank You

Sincerely,

Barrie Bernard
