This is awful of DP to do to these local businesses. I raise my family out of how ceretti's general stores it's close to my house and I can't afford to go to town for fresh meats. Please don't allow this to happen in Borden I get fuel at the shell as he is a good friend and I buy all my local foods at ceretti's. Don't let DP do this he makes enough off this island. Thanks for listening!
