#### Borden-Carleton

This is so sad if this is allowed to happen. This family business Ceretti's has been in Borden-Carleton for over a hundred years and all of a sudden a big name wants to come in and take his business away. Please don't let this happen again. This store has supported the people of Borden-Carleton well over 100 years. Stop allowing the big guys to walk over a family business! Don't let this happen! Friendly staff great owner they take care of the locals and all of the tourist just fine! Please leave this business alone and deny the approval for petroleum Products Act to open its business in Borden-Carleton.
