Subject: Support for Ceretti

I would like to voice my support for Ceretti continuing to provide services in our area. Approving the DP Murphy gas station right beside them would spell the demise of this family owned business and a vengeful act. They can go elsewhere, they are not required in Borden, but would be a welcomed addition to rural areas who do not currently have the services. Approving one to put another out of business is counterproductive and serves no one. Thank you
