Subject: Letter of Objection

-Dear Mr MacEwen,

-

Please take this as an **official letter of objection** to the D.P Murphy Inc. application to IRAC to build a FOURTH gas station in Borden-Carleton directly beside Ceretti's grocery store/gas bar.

We live in the area and are sufficiently serviced by the Howatt's Gas Station (purchasing both gas and some groceries) and Ceretti's (purchasing gas, groceries, hardware supplies). We also support the Esso gas station ~ usually the Tim Hortons area.

We **DO NOT** need an additional option in the Borden area ~ we believe in supporting local, and in turn these local businesses support us when fundraisers etc are happening. Both Howatt's and Ceretti's are long time LOCAL family businesses and are more than will to assist the locals in their time of need.

Thank you for your time! Should you wish to discuss further please feel free to contact me at 902-439-5232.

Grant & Cathie Thomas
