Hi,

I am writing to you to oppose the application put for by D.P. Murphy Inc for a petroleum station in Borden Carleton. I have attached a letter sent from Howatts Shell and agree with there points on this issue.

There is more than enough stations in this area and have proven track records for looking after the publics needs for many years. It would be a traversy and a disservice to the community and traveling public to loose these family run businesses.

Again. I completely oppose this application.

Thank you,

Cindy Affleck
