Subject: Objection to D.P Murphy

Dear, Mr. MacEwan,

As a member of the Borden Carleton community, I would like to formally object to the development of another gas station.

I was fortunate enough to work for one of the gas stations for a number of years while in High School and now work part time at Lone Oak Brewery. I'm very familiar with the traffic influx throughout the year and am also very familiar with the customer service provided at each of the gas stations. I would use each gas station equally and admittedly have never had to wait to get gas or have had a poor experience at any of the locations. Lastly, it is well known the amount of dedication and commitment Mr. Ceretti and the Howatt's have provided to the community. I believe that the submission provided by the Howatt's clearly answer the 5 "criteria" that D.P Murphy must meet.

Thank you,

Cody Dawson
