Dear Mr. MacEwan

This is a letter to object the construction/ proposal of the DP Murphy Retail outlet in Borden-Carleton.

I couldn't agree more with Chad Ceretti when he said 'If the community were to lose their grocery store it would be devastating'. This is a generational business that has supported our community in various ways for many years.

Cerettis family business shouldn't be replaced by D.P Murphy that don't offer whats best for the community. The difference is quality of service and community spirit. We're losing to many local businesses to larger corporations.

Please post my objection.

Kind regards,

Crystal Callaghan
