Subject: No more gas stations in Borden-Carleton

I for one am against another gas station in Borden-Carleton. We have 3 now and 2 are family owned businesses. Another one will put one of them small family owned businesses out of business and this is not right. If D.P Murphy wants to put in a coffee shop and a priced friendly restaurant then that is what we do need.

We do not need another gas station!

Thanks for reading
