**Subject:** Objection to new gas station

I've recently been made aware of that D.P Murphy Inc. has put an application in to IRAC to build a gas station in Borden-Carleton directly beside Ceretti's grocery. We feel there is no room for another gas station in this community. We also feel if this does get approved one of other 3 will go out of business.

Another note worth mentioning is the exits of this development, both are on Dickie road so the residents on Dickie Road will see a huge influx of traffic. As one of many who are coming to the silent for the reasons of small town and caring for Neighbors we wish you would reconsider and deny this application.

Thank you for your time, Deanna and Mike Hollinger
