Subject: Objection to Proposed Gas Station in Borden-Carleton

Dear A. MacEwen,

Please accept this email as my objection to the new gas station being proposed by D.P. Murphy in the town of Borden-Carleton.

As I am sure you are aware, there are three gas stations within a 3 kilometre span already in place who are all trying to survive in today's economy so there is no need for another one in the area.

Please remember the small businesses already in place who have served and catered to the people of the area for many generations and do not allow another gas station in or around Borden-Carleton.

Thank you for your time and attention to this objection.

A concerned citizen
Donna MacKay
