I wish to raise my objection to the approval of a D P Murphy application for a fuel and convenience location on the Dickie Road in Borden-Carleton.

I am a new home owner on Oswald Road and have been a cottage for the past 26 years.

The existing businesses that presently provide such services have been life long supporters to this community and others for many years.

By taking away 30-40% of their business, they will be like too many other small businesses on PEI that have closed their doors.

Do not let that happen .
