**Subject:** Letter Opposing D.P. Murphy's application relating to Borden-Carleton, PE

Dear Mr. MacEwan,

We do not agree with or support the idea of another petroleum station and convenience store within Borden-Carleton area. It is unnecessary and would be in direct competition with the businesses that have been loyal to our community for decades. Howatt's Shell and Ceretti's Grocery are both respected businesses and have been providing for our community for three generations each! They provide great employment opportunities for our residents, much better than D.P. Murphy Inc. has provided to date. They provide the kind of personal service that D.P. Murphy will never accommodate! If I needed a certain brand of, let's say milk or cough syrup, – I know I could call Chad Ceretti, Nic Howatt or Chad Howatt and they would look into getting the item in stock for us, usually by the next day. Again these men reside in our community, their businesses are what helps make Borden-Carleton a great community, as do they themselves.

I see absolutely NO benefit to allowing D.P. Murphy to expand and disrupt those who are already here and established. I could write more but after viewing many of the other opposition letters, we, as a community have pretty well covered everything!

Sincerely,

Kim Lockhart 902-439-7125
