Subject: Objection to DP Murphy Application Borden-Carleton

I am writing to you today to express my worries towards D.P. Murphy's application for a new gas station in Borden Carleton.

I wasn't born in this community, but moved into it about 10 years ago. I have nothing, but respect and support for our current gas stations we already have available. They completely support the needs of our community and extended area. I do not feel we need to be taking from these family businesses to support a large chain. Let them continue to thrive after all their years and generations of hard work.

D.P Murphy would be welcome in other ways, but this is far from one of them. It simply doesn't make sense.

Thank you for your time,
Gallantry Farms
