Subject: Do Murphy application to build a gas station In Borden

To whom it may concern I strenuously oppose this request on the grounds of it is certain to be detrimental to the existing establishments that are family owned and operated in the Borden area. Competition is a good thing but there is plenty of that in this small community now. Please take the concerns of this community and its businesses seriously as it is us that live, work & support our community. Thanks for your time . Garth MacEwen
