This to submit my strong objection to this application. As a 40 plus yearly cottage resident of Noonan's Shore, I am deeply concerned for the survival of the long time Ceretti family store if this application is approved.

The Ceretti store has served the residents and cottagers of the area for many years with their groceries, gas, hardware, fresh meat dept. and there is absolutely no need for another gas station in the area, and this proposed development will surely put Ceretti's out of business.

Please do not approve the DP Murphy application.
