Subject: Proposal of Irving gas station in Borden

Hello,

I am reaching out as a summerside resident who has spent much of her life in Borden, and surrounding areas. My question to you is: why? Why does Borden need another gas station? And furthermore, why does Borden need another gas station that would take away the business from other local businesses that have had their space in their family for GENERATIONS. How is this needed? All you are wanting is more money, and I don't understand why you need to take it away from these local businesses that actually need the money from visitors and residents of pei to continue to open their store each day.

I am in complete opposition of this Irving gas station!

Thank you.
