Hi there,

My name is Heather. I live in Borden Carleton and object to the development of another gas station. I am sending this message to add my name to the list of those opposed to this. I am using the template provided by my daughter.

Thank you,

Heather

I was made aware via a Facebook post that the Murphy Group is planning a project in Borden Carleton to develop a gas station.

This is a strange building request. This area already has 3 gas station / convenience stores. Why add another??

On the flip side, from Howatt's gas station in Cape Traverse until Gass's Food Mart in New Haven, there are no fuel options. Why not build in an area that has a need vs building in an area that is already fully serviced. Why take customers away from a small business?
