**Subject:** Opposing DP Murphy gas station in Borden-Carleton

Hello. I share the sentiments included in the attached letter of opposition to the DP Murphy gas station development. There is no legitimate need for another gas station in the town.

Allowing this to proceed has real potential to destroy two long standing family businesses that have provided for, served, contributed to and supported the surrounding communities for generations.

Please do not permit DP Murphy's gas station to be built. Doing so will have an unnecessary, significant and negative impact on the community and its culture.

Thank you,

Jeff Matheson
