**Subject:** OBJECTION TO NEW GAS STATION IN BORDEN

To whom it may concern,

I am sending an email as I believe another gas station is not needed in Borden! The current 3 gas stations serve the community with all the things we need! Borden is a small community and we do not want another station. Two of the gas stations are staples of this area, and bringing in another spot could force them to close down there doors. Everyone in this community looks out for one another and Howatt's shells has done many great things for the community and we will not sit by and allow things to happen

From concerned community member.
