Subject: Objection to Proposal

To whom it may concern;

As a residing citizen of the community of Borden Carleton, I strongly object to DP Murphy's proposal for a convenience store/Gas station at the end of Dickie Rd. There is absolutely no need for it. We have three gas stations within 7km of each other and I feel this is just a way for Mr. Murphy to have more businesses, corporations, and another money maker! Greed is an ugly thing.

I don't not support this proposal in any way shape or form!
