Subject: DP Murphy-Borden Gas Station

Good evening,

I along with many other islanders, are concerned about DP Murphy INC's interest in putting up a gas station next to a locally owned, small business that has been there for a very long time.

I personally, object to this. It is not right for Cerriti's to be attacked like this, nor should they have to be. I hope your board reviews this and relieves that it's makes the right decision on it.

Thank you for your time.
