**Subject:** New gas station in Borden

I am writing to oppose the building of a new gas station in Borden... Borden has three gas station as it is . Ceretti's and Howatt's are family operated businesses that have been in the community for many years .Both are whole heartedly supported by the community. Each business also supports the community. Can't say enough good about each . They will always be supported by the community who will not be supporting a new gas and retail business.
