Subject: DP Murphy Gas station in Borden, PE

To whom it may concern,

Allowing a gas station to be built in Borden next to Ceretti's while there are already enough gas stations is taking away from local businesses. Affecting a persons livelihood, and taking away from a community that can rely on that. While it isn't fair, it also takes away from an already struggling area. Borden is lively in the summer due to the bridge, but other than that it can be empty.

Allowing that gas station to be built would take away from the local businesses. It just isn't right.

Sincerely,

Maggie Eldershaw
