Subject: opposition to proposed gas station in Borden

My name is Margaret MacDonald.

I'm writing this to express my outrage at such a ridiculous, money-driven scheme.

How many residents does Danny think live in Borden?

I grew up in Charlottetown, but lived in Borden for 25 years. The people are kind- hearted, and are quick to help out anyone who is having a difficult time.

The owners of Ceretti' s and Howatt's have supported the community through thick and thin. The community depends on them.

I am so opposed to Danny building this unnecessary complex. He would know that this would have detrimental effects on the current gas stations/stores, and would cause nothing but heartache.

I'm very troubled that Danny Murphy would even consider ruining people's livelihoods.

Could anything EVER be worth that ?

Please do not approve this application. NOBODY wants it.

Sincerely,

Margaret MacDonald
