Subject: Borden gas station

I'm writing this to show how I object to a new gas station being put into Borden . It's ridiculous I'm from Crapaud and I make it a point to go to Howatts and Ceritties for my gas not only because I need gas but because of the ppl who run these stores. Borden has three gas stations so what would the point be of putting a new one in? The locals and surrounding areas will most deffintky reject it and stay with who we know and love it's loyalt. Also Borden has three gas stations but Crapaud is in the middle of summerside and Ch town and we don't even. Have one yet you want to add another to Borden just blows my mind it's a horriable idea and yes maybe during the summer you would get some business from people visiting PEI but honestly Borden and surrrounding areas will not support the new gas station and stand strong as a community. Even if you put a gas station in Crapaud I'd still go to Borden they are amazing ppl your treated like family . So so against that idea along with many others who share my feelings
