Dear Mr. MacEwen

I would formally oppose the D.P. Murphy Inc. application to build a petroleum outlet in Borden-Carleton.

I do not believe another petroleum outlet in Borden-Carleton is needed and would be damaging to the current business owners.

It is my belief that there is not enough traffic to sustain 4 stations in a community of 788 residents and only a daily average of 4724 vehicles.

I urge you to deny the proposed request by D.P Murphy to build a new gas station in the town of Borden Carleton.
