Subject: Letter of Objection - DP Murphy Gas station in Borden-Carleton

Dear Mr. MacEwen,

I am writing this email as a letter of objection for the DP Murphy proposed gas station to be located in Borden-Carleton.

There should be absolutely no reason for Mr. Murphy to be allowed to build a new gas station in Borden-Carleton.

There are already 3 gas stations/convenience stores located in Borden-Carleton and 2 of those being FAMILY OWNED businesses which have been around for many generations!

If Mr. Murphy was allowed to build a new property in this community the 3 other locations would be severely affected and chances are over time they will have to close their doors.

There are lots of locations on PEI that DP Murphy can build a new gas station without it harming local businesses like it most certainly would Howatt's Shell and Ceretti's Irving.

Please reconsider the decision for DP Murphy to be approved to build a gas station in an area where it is not required and would put local businesses at risk.

Thanks for your time and consideration.
