Subject: DP Murphy building in Borden-Carleton

To whom it may concern,

I'm writing in regard to DP Murthy's application to build a garage and convenience store in Borden-Carleton. There are already 3 such locations that have been in the area for many years and have been long time employers to those in the community. I for one do not support the addition of this business which will no doubt have a negative effect on well-established family run community businesses.
