Subject: PD527 - New Retail Gasoline Outlet - D.P. Murphy

Hello Mr MacEwen,

I would like to voice opposition to PD527 – New Retail Gasoline Outlet Application – D.P. Murphy.

I am greatly concerned about the impact this development will have to two existing, family owned businesses in the area;

- Howatt's Shell
- Ceretti's Grocery and hardware

These existing family owned businesses provide gas and grocery options for both local families and residents as well as tourists.

A new development of the size of PD527 is sure to push one or both of these existing, family owned businesses, out of business.

To put it simply, this new development, PD527, is not needed in this area that is being well served by both of these existing, family businesses.

Thank you for your time.

Sincerely,
Stacey Dougay
