Subject: DP Murphy Gas Station in Boredon-Carleton

Hello,

I have recently caught wind of Murphy applying to build a gas station in close proximity to a locally owned gas station.

I object to this. Not only does Murphy not need another income stream, allowing this can potentially harm a local persons income. Murphy owns a majority of this island. We do not need to give him more.

Allowing this build would not only effect the current gas station. Building on Dickie Rd would increase the traffic tenfold. This will bother the people living on Dickie Rd. Park St in Charlottetown got closed due to a high influx of traffic. This will likely be seeing the same fate in years to come.

Therefore, I believe that IRAC should make the decision to not allow this build.

Thank you,

An unhappy Islander.
