To your attention

We are against ANOTHER GAS STATION if there is another one right beside the other the small business owner would have to shut down. There is no need for more and it's ridiculous to even think of putting one there.

And as for things for TRUCKERS summerside is 20 minutes away they can go there to eat etc shower etc. We have a wellness center. They can use that so don't use truckers as an excuse because I'm married to one and he is against it. These days everything is so expensive and people are barley getting by day by day you need to give your head a shake and see the ones there are all we need and they are doing the best they can.

AGAINST THIS RIDICULOUS IDEA OF ANOTHER GAS STATION. 🚫

THANK YOU

Terrilynn Gallant
