**Subject:** Objection to additional gas pumps in Borden

Hello,

I am writing this letter to proclaim my objection to additional gas pumps being added in the Borden-Carleton community in PEI. There is no need for additional gas pumps to be added in this area, as there are currently three stations, two of which, Ceretties and Howatts, are locally owned businesses.

Please take this letter of objection into consideration, as the need for gas pumps is being provided by existing stations.

Thank you,  
Tiffany Leard
