Notice of Hearing

Pricing Model and Margins for Petroleum Products

In accordance with the *Petroleum Products Act*, the Commission is reviewing the pricing model for petroleum products, including for gasoline, diesel, furnace oil, and commercial diesel sold in Prince Edward Island.

The scope of the review includes the appropriate benchmark price used to make weekly price adjustments, the wholesale and retail margins for petroleum products, and incorporating carbon costs associated with the *Clean Fuel Regulations* into the Commission's pricing model.

Documents filed with respect to this review can be found here: irac.pe.ca/petrol/pmc22-01-commission-petroleum-margin-review/

A PUBLIC HEARING WILL BE HELD

The Commission will hold a public hearing with respect to the Petroleum Margin Review. The public hearing will be held in the Commission's hearing room on **Monday November 6, beginning at 9:30 a.m.** The Commission's hearing room will be open to the public.
