The intend of Strategic Construction, Paul Davis Restoration & 102531 P.E.I. Inc. Nathan Kember and Scott Kember the builder/developer is to build 4 quadplexes.

All home owners at above addresses were sold a golf course view and have been out right deceived.

We ask for your support as home owners on Putters street to support us in our fight to stop this deceitful construction.

I do not believe Putters Street can handle the increased traffic volume as well it will take away the tranquility of our street and neighbourhood.
