

Notice of Application

Souris Sewer & Water Utility Rate Increases

THE SOURIS SEWER AND WATER UTILITY CORPORATION has applied to the Prince Edward Island Regulatory and Appeals Commission for approval to increase sewer and water rates over a 3-year period, effective July 1, 2021. The proposal will see sewer rates increase by 24% and water rates by 9% each year.

For **unmetered customers**, the Utility proposes the following monthly rates:

| | Current Rate | Rate @ Jul-01-21 | Rate @ Apr-01-22 | Rate @ Apr-01-23 |
|-------|--------------|------------------|------------------|------------------|
| Sewer | \$25.79 | \$31.98 | \$39.65 | \$49.17 |
| Water | \$12.48 | \$13.60 | \$14.83 | \$16.16 |

For **metered customers**, the Utility proposes the same percentage of increases each year of 24% for sewer rates and 9% for water rates; however, the impact will vary depending on the type and size of the metered service and the amount of measured flow. Metered customers wanting more information should contact the Utility at the address below.

DETAILS OF THE RATE APPLICATION and the Utility's current rate tariff can be viewed on the Commission's website at www.irac.pe.ca/utilities/water-sewer.

IF YOU WANT TO COMMENT on Souris' application, you can write or email the Commission. Questions on the filing should be sent directly to the Utility.

Written comments are due by Friday, September 24, 2021.

THE RATE REVIEW PROCESS involves:

- the filing of a rate application by the Utility;
- public notification of the Utility's proposed rate changes;
- the Commission's review of the application, including written comments; and
- the issuance of an Order outlining the Commission's decision on the application and the rates to be charged.

Any decisions on the Utility's application will be available on the Commission's website.
