Issued Pursuant to Section 5 of the *Water and Sewerage Act*

## Applicant

Alberton Sewage Collection  
and Treatment Corporation

## Date Application Filed

Aug-29-2018

## Engineer

WSP - Van Hul

## Project Description

This project involves the supply and installation of sewer services as part of the Phase III expansion along Emma Drive in Alberton, including mains, manholes and various pipes and fittings. The project is expected to service 30 new lots. Project No. 181-10530, Preliminary Drawings C01 - C09, issued August 29, 2018.

## Cost Estimate

\$988,000

## IRAC Approval

Sep-10-2018

## Conditions of Permit

1. Total sewer project costs, including inspection and engineering, to be borne by the developer in accordance with the application dated August 29, 2018.
2. Project to be awarded via public tendering.
3. Easement(s) to be obtained where main(s) cross(es) private property (where applicable).
4. Certificate of inspection by design engineer, as-built plans and detailed final contract costs to be filed with the Commission, when available.
5. Prior to commencement, project must receive approval from the Department of Communities, Land and Environment.
6. This Permit expires if project not completed within twelve (12) months of the Permit issuance date.

This Permit, when signed below, authorizes the Applicant to proceed with the project described above subject to the conditions contained herein.

Issued at Charlottetown, September 10, 2018
