

No. UW24/05

Permit

Issued Pursuant to Section 5 of the *Water and Sewerage Act*

Applicant	Date Application Filed	Engineer
Kensington Water and Pollution Control Corporation	Jul-9-2024	WSP/VanHul

Project Description

Project involves the extension of the existing 200mm diameter sanitary gravity main through an easement along Darrach Drive, within the new business park. The extension is approx. 125m and is meant to service a new residential development involving 34 units on PID 406546. The project also involves extending the existing 250mm diameter watermain along Victoria Street West (Route 2) by 150m to service the development. WSP project CA0033254.0779, preliminary drawings C01-04, issued July-5-2024.

Cost Estimate	IRAC Approval	Environment Approval
\$292,000	Jul-26-2024	Jul-16-2024

Conditions of Permit

1. Total water & sewer project costs, including inspection and engineering, to be funded in accordance with the application dated July 9, 2024.
2. Project to be awarded via public tendering (minimum of three bidders).
3. Easement(s) to be obtained where main(s) cross(es) private property (if applicable).
4. Certificate of inspection by design engineer, as-built plans and detailed final contract costs to be filed with the Commission, when completed.
5. This Permit expires if project not completed within twelve (12) months of the Permit issuance date.

This Permit, when signed below, authorizes the Applicant to proceed with the project described above subject to the conditions contained herein.

Issued at Charlottetown, July 26, 2024
