Cost Estimate

\$823,000

IRAC Approval

September 18 2025

Environment Approval

Permit # P2025-27
July-17-2025

Conditions of Permit

1. Total sewer project costs, including inspection and engineering, to be funded in accordance with the application dated August 8, 2025.
2. Project to be awarded via public tendering (minimum of three bidders).
3. Easement(s) to be obtained where main(s) cross(es) private property (if applicable).
4. Certificate of inspection by design engineer, as-built plans and detailed final contract costs to be filed with the Commission, when completed.
5. This Permit expires if project not completed within twelve (12) months of the Permit issuance date.

This Permit, when signed below, authorizes the Applicant to proceed with the project described above subject to the conditions contained herein. Any amendments to the scope of the project without prior approval by the Commission may result in the revocation of this approval.
