Rate Increase

Victoria Water and Sewage

Commission

Sewer & Water Rates

The **Victoria Water and Sewage Commission** has applied to the Prince Edward Island Regulatory & Appeals Commission for approval to increase yearly unmetered rates per unit, and service availability charges, as proposed in its application for the 12-month period ending March 31, 2026. The effective date of any rates approved by the Commission would be determined by the Commission. Proposed rate increases are as follows:

Rates	CURRENT:	PROPOSED:
Unmetered Water	\$361.00	\$365.00
Water Service Availability Charge	\$180.00	\$274.00
Sewer	\$654.00	\$661.00
Sewer Service Availability Charge	\$328.00	\$496.00

Yearly unmetered rates apply to all properties serviced by the utility, while service availability charges apply to properties that are not yet developed but where service is available for use.

**DETAILS OF THE RATE APPLICATION** and the Utility's current rate tariff can be viewed on the Commission website at <https://irac.pe.ca/utilities/water-sewer/>

**IF YOU WANT TO COMMENT** on the application, you can write or email the Commission at the address below. All comments received by the Commission will be made public and posted on the Commission website. Questions on the application should be sent directly to the Utility at the address below.

**Written comments are due by Friday, February 20, 2026.**

**THE COMMISSION’S RATE REVIEW PROCESS:**

- Utility files a rate application;
- Public notice of the Utility's proposed rate changes;
- Commission review of the application and written comments; and
- Commission Order outlining the decision and the rates to be charged.

Decisions on the Utility's application can be found on the Commission website at <https://irac.pe.ca/utilities/water-sewer/>
